## **Requirements:**

On December 29, 2022, the Consolidated Appropriations Act of 2023 enacted a new one-time requirement which **went into effect on June 27, 2023**, for any Drug Enforcement Administration (DEA)-registered practitioner to complete eight hours of training “on the treatment and management of patients with opioid or other substance use disorders.”

## **What is the deadline for satisfying this new training requirement?**

The deadline for satisfying this new training requirement is **the date of a prescriber’s next scheduled DEA registration submission** — regardless of whether it is an initial registration or a renewal registration — on or after June 27, 2023.

## **Acceptable modalities of training include:**

Live or on-demand activities are acceptable. **Past training can count towards a practitioner meeting this requirement.**
