Michigan Doctor Political Action Committee
The Michigan Doctors’ Political Action Committee (MDPAC) is the political arm of the Michigan State Medical Society. We are a bipartisan political action committee made up of physicians, their families, residents, students and others interested in making a positive contribution to the medical profession through the political process. MDPAC supports pro-medicine candidates running for the State legislature, Michigan Supreme Court and other statewide positions. The best way to put the policies from the House of Delegates into place is to have a robust PAC. Please make your contribution today!
