INSIDE:
◆ Regulatory
◆ Clinical Conferences
◆ On-Demand Webinars
◆ Annual Scientific Meeting
Welcome!

For more than 150 years, the Michigan State Medical Society (MSMS) has offered continuing medical education courses in both clinical education and practice transformation for members in all levels of their careers. The MSMS Foundation presents courses for members, their office staff, and executive leaders in health care. This year along with some of the staples in our educational programming, we have added one-day sessions on Appropriate Use of Modifiers, Auditing: Self Auditing - Yes YOU should and Yes YOU can and the new medical licensure requirements. We also have on-demand webinars focusing on the new medical licensing requirements including human trafficking, medical ethics and pain management.

Please note that each course in our course catalog is color coded based on the area of content. A complete color-key is shown below.

For course information, including conference topics and speakers, and to register online please visit us at http://msms.org/eo or contact us directly at 517-336-7581.

COLOR-KEY TO COURSE AREAS

- **Regulatory**
- **Clinical**
- **Leadership**
- **HIT**
- **Billing and Coding**

Michigan State Medical Society Foundation is a nonprofit charitable organization sponsored by the Michigan State Medical Society. Its purpose is to advance the field of health for the public good. The mission of the Foundation is to achieve the following:

- Stimulate, support and/or initiate lay or professional education, research programs, and projects in the field of health.
- Encourage the advancement of healthy lifestyles, the prevention, diagnosis or cure of disease, and the care of the sick and the dying.
- Provide a vehicle for the Michigan State Medical Society to foster humanitarian public service in health education and research, and to provide support for physicians who suffer impairment.
- Develop and administer funds for the support of health education and research.
- Provide a resource for the management and distribution of signature funds or bequests designated for special health education and research purposes.
Licensure Requirements for Continuing Medical Education

NEW - Effective January 4, 2019, the Michigan Department of Licensing and Regulatory Affairs (LARA) announced an additional one-time training in opioids and controlled substances awareness.

For Controlled Substance Licenses:

- **Opioids and Other Controlled Substances Awareness Training Standards for Prescribers and Dispensers of Controlled Substances** – This is a one-time training that is separate from continuing education for an individual seeking a controlled substance license or who is licensed to prescribe or dispense controlled substances.

  Licensees that prescribe or dispense controlled substances who renewed in 2019 must complete training by January 2023; renewals for 2020 by 2024, renewals by 2021 by 2025. Beginning in September 2019, completion of the training is a requirement for initial licensure.

In December 2016, the Michigan Department of Licensing and Regulatory Affairs revised Medical Rules. Significant changes to be aware of include:

- **Training Standards for Identifying Victims of Human Trafficking** – This is a one-time training that is separate from continuing education. Licensees renewing for 2017 must complete training by renewal in 2020; renewals for 2018 by 2021, and renewals for 2019 by 2022. Beginning in 2021, completion of the training is a requirement for initial licensure.

- **Education on Pain and Symptom Management** – Starting in December 2017, a minimum of three hours of continuing education shall be earned.

- **Medical Ethics** – A minimum of one-hour of continuing education shall be earned.

MSMS will offer these new requirements throughout the year including sessions at the Spring Scientific Meeting and the Annual Scientific Meeting. In addition, “A Day of Board of Medicine Renewal Requirements” conferences will be offered in the spring and fall and will be solely focused on the four new requirements. On-demand webinars are also available online at www.MSMS.org/OnDemandWebinars.

Categories of Continuing Medical Education

The Board of Medicine has established two categories of approved continuing medical education. All relicensure applicants are required to complete 150 hours of continuing medical education of which a minimum of 75 hours of the required 150 must be earned in Category 1 activities. On the next page there is a brief description of each category, the number of allowable hours that may be earned in each category during the three years immediately preceding the application for renewal, and examples of acceptable documentation.
Category 1

A. Activities with accredited sponsorship - Maximum 150 hours
B. Passing specialty board certification or recertification – Maximum 50 hours
C. Successfully completing MOC that does not meet requirements of (A) or (B) above – Maximum 30 hours
D. Participation in a board approved training program - Maximum 150 hours

Category 2

A. Clinical instructor for medical students engaged in a board approved postgraduate training program – Maximum 48 hours
B. Initial presentation of scientific exhibit, poster or paper - to a professional medical organization - Maximum 24 hours
C. Publication of scientific article relating to the practice of medicine, in a peer-reviewed journal - Maximum 24 hours
D. Initial publication of a chapter or portion of a chapter related to the practice of medicine, in a professional health care textbook or peer-review textbook - Maximum 24 hours
E. Participation in any of the following as it relates to the practice of medicine: - Maximum 18 hours
   1. Peer Review Committee dealing with quality of patient care
   2. A Committee dealing with utilization review
   3. A health care organization committee dealing with patient care issues
   4. A national or state committee, board, council or association
F. Until December 6, 2019, attendance at an activity that was approved by the Board of Medicine prior to December 6, 2016 - Maximum 36 hours
G. Independently reading a peer-reviewed journal prior to December 6, 2016, that doesn't satisfy the requirements of Category 1, subdivision (A) - Maximum 18 hours
H. Prior to December 6, 2016, completing a multi-media self-assessment program that doesn't satisfy the requirements of Category 1, subdivision (A) - Maximum 18 hours

Joint Provider

of Continuing Medical Education

MSMS provides joint providership to accredit CME activities that are hosted by other institutions. Certification of your continuing education activity adds value to your education efforts. MSMS is dedicated to facilitating innovative medical education that promotes evidence-based change, professional development, and improved patient outcomes.

◆ Approximately 5,000 physicians received CME through our program last year.
◆ Our joint providership partners include specialty, regional, and national organizations.
◆ The application fee is based upon the total hours of credit available.
◆ MSMS provides all forms and templates.
◆ Unlike other providers, there is no additional per attendee charge.

Our team of leading medical educators have a proven track record of leveraging their expertise to help our partners grow their organizations and maximize the impact of their educational programming. For more information and rates, please contact Brenda Marenich at 517-336-7580 or via email at bmarenich@msms.org.
Appropriate Use of Modifiers

CPT 2019 defines a modifier as a **two-digit code** used to report or indicate that a service or procedure performed has been altered by some special circumstance but has not changed in its definition or code. So how do you know what documentation is needed for a particular Modifier?

Do you know why payers scrutinize the use of modifiers 25 and 59? Do you know when you should use modifiers XE, XS, XP or XU instead of modifier 59? Do you ever wonder whether you should use modifiers RT and LT or modifier 50? Do you understand the difference in modifiers 52 and 53? What about modifier 33? Are you using is appropriately? There are many CPT and HCPCS modifiers that provide information to the payers that help tell the story of the visit. If you are using the appropriate modifier at the appropriate time, you can reduce denials and subsequent appeals and receive the appropriate reimbursement on the initial claim. Bring your redacted notes for an open discussion. Bring 10 copies so all in attendance can look at these together.

This session is designed for medical billers and coders and will discuss proper use of CPT modifiers, as well as common HCPCS modifiers.

Self Auditing - Yes YOU Should and Yes YOU Can

Do you want to understand more about the audit process? What can you do to both increase your skills and help your practice?

It is important to conduct internal audits to hopefully reduce the risk of an external audit. Internal audits can identify missed revenue, outdated and incorrect coding (CPT or ICD-10), missing or incorrect modifier usage.

Do you have the knowledge and tools to conduct an internal audit? This session is for billers and coders who want to learn or gain a better understanding of how to perform internal audits. Bring in de-identified (redacted) case examples to work on during this session. An audit tool will be provided at this session. (This session is NOT for advanced auditors)

The 154th Annual Scientific Meeting

The Annual Scientific Meeting is a five-day, multi-session meeting created to address a wide range of gaps for primary care and internal medicine physicians identified by experts in Michigan’s medical field. More than 25 courses will be held during the morning, afternoon, and evening sessions. Take advantage of free courses by attending plenaries and Friday’s William Beaumont Lecture luncheon.

Physicians of all specialties, residents, students, nurses and other health care professionals are invited to join the Michigan State Medical Society Foundation at our 154th Annual Scientific Meeting at the Sheraton Detroit Novi in Novi. Take this opportunity to collaborate with colleagues, see the latest our medical industry vendors have to offer, and learn about the cutting-edge clinical advances from local and national experts.

MOC Statement:
Successful completion of this CME activity which includes participation in the evaluation component, enables the participant to earn up to 28.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participation completion information to ACCME for the purpose of granting ABIM MOC credit.

Make your room reservation today!

SHERATON DETROIT-NOVI HOTEL

The MSMS Foundation king/double room rate is $149 (plus applicable taxes) per room per night. To receive the special rate, reservation requests must be made by October 4, 2019. When you make your reservations, please tell the hotel staff you are with the Michigan State Medical Society. Visit www.msms.org/eo for up to date reservation information and to register for the conference.
**CHOOSING YOUR COURSES**

Please check one morning, afternoon and/or evening session you will be attending each day.

**Tuesday, October 22 evening (Dinner included)**
- Symposium on Retirement Planning*

**Wednesday, October 23 morning**
- All morning courses run concurrently from 8:00 - 11:30 am
  - Electro-diagnosis and Neuromuscular Diseases in a Primary Care Practice
  - The Medical Birds and Bees: What Every Doctor Should Know About Fertility, Infertility and Fertility Preservation
  - Dermatology Update

**Wednesday Lunch (included)**
- Wednesday, October 23 afternoon
  - All afternoon courses run concurrently from 12:30 - 4:00 pm
    - Prostate Cancer—Opportunities for Shared Decision Making
    - What’s New in Cardiology
    - Endocrinology/Diabetes Update

**FREE COURSE: Plenary Session - 4:15 - 5:15 pm**

**Thursday, October 24 evening (Dinner included)**
- The evening course runs from 5:30 - 7:30 pm
  - Dorothy M. Kahkonen, MD, Memorial Lecture
  - FREE COURSE: Plenary Session - 4:15 - 5:15 pm
    - Medical Marijuana: What You Need to Know

**Friday, October 25 morning**
- All morning courses run concurrently from 8:00 - 11:15 am
  - Responding to Substance Use Disorders in Primary Care
  - Staying Current with Infectious Diseases: An Update for Primary Care Physicians
  - New Stroke Intervention Guidelines for the PCP

**FREE COURSE Friday Lunch / Beaumont Lecture**
- Current Issues in Allergy and Asthma
- Transitioning from Thinking to Doing: Addressing the Opioid Epidemic Via Prescribing Medication in Primary Care
- Rheumatology Update

**Saturday, October 26 Morning**
- All morning courses run concurrently from 8:00 am - 11:15 am
  - Are We Getting it Wrong? Discriming Between Peripheral and Centralized Pain Conditions

**Thursdays Lunch (included)**
- Thursday, October 22 morning
  - All morning courses run concurrently from 8:00 - 11:30 am
    - The Non-Nephrologist Wants to Know About Kidney Disease Right Now
    - How Molecular Diagnostics are Revolutionizing Medicine
    - Attending to Pain and Suffering: Empowering Patients and Ourselves with Compassion and Wisdom

**Thursday, October 24 afternoon**
- All afternoon courses run concurrently from 12:30 - 4:00 pm
  - Facing the New Era of Cancer Care
  - Anorectal Diseases of the Pelvic Floor
  - Neurology for the Generalist: ‘Neurophobia’ Revisited Learn Your Way Out of That Corner

**Thursday, October 24 evening**
- The evening course runs from 5:30 - 7:30 pm

**Friday, October 25 afternoon**
- All afternoon courses run concurrently from 12:45 - 4:00 pm

**Statement of Accreditation:** The Michigan State Medical Society (MSMS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. AMA Credit Designation Statement: The MSMS designates this live activity for a maximum of 28.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

AAFP Credit: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

*ABMS is not available.*
A Day of Board of Medicine Renewal Requirements

Let MSMS be your resource to earn the new, mandated Michigan Board of Medicine CME – all in one day. Presenters will address Pain and Symptom Management, Medical Ethics and Human Trafficking, fulfilling these additional requirements.

AMA Credit Designation Statement: The Michigan State Medical Society designates this live activity for a maximum of 5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

These courses will fulfill the new (effective January 4, 2019) one-time licensure requirement for opioid and controlled substance awareness training standards for prescribers and dispensers of controlled substances.

23rd Annual Conference on Bioethics

Death in America: Current Controversies at the End of Life

This conference will discuss the current controversies and ethical aspects of end of life care. Topics will include: Physician Assisted Suicide; Social Determinants of Health at the End of Life; Catholic End-of-Life Ethics after Charlie Guard and Alfie Evans; and Voluntarily Stopping Eating and Drinking. Case studies will also be presented.

Learning Objectives:

- Understand the ethics of physician-assisted suicide
- Understand the ethical issues involved in voluntarily stopping eating and drinking
- Learn about recent controversial end of life cases and the Catholic approach
- Appreciate the socioeconomic determinants/disparities that exist at the end of life

CONFIRMATION: Receipt of each registration will be acknowledged with a mailed confirmation letter. If you do not receive a confirmation letter prior to the event, please call (517) 336-5781 to confirm your registration.

LATE REGISTRATION: In order to ensure adequate space and materials for participants, advance registration for educational programs is required. If you wish to register less than 10 days in advance, please register by phone or email with verification of payment.

CANCELLATIONS: MSMS Foundation reserves the right to cancel any educational program. Registered participants will be notified up to one day in advance if a cancellation or change occurs. If you have not received a confirmation letter, please call (517) 336-5781 to confirm the event will take place as scheduled. MSMS Foundation is not responsible for costs or loss of time that may occur as result of cancellation for a non-confirmed participant.

REFUND POLICY: MSMS Foundation understands the unpredictable schedules of health care professionals. However, due to meeting expenses incurred, it is necessary to charge a $35 cancellation fee. Participants must cancel at least five (5) business days prior to the event. Refunds will not be provided after the five (5) day cut-off. Registrations can be transferred to another employee of the same practice or to another course of the same value. Please contact the MSMS Registrar at (517) 336-7581 or registration@msms.org.

TAX DEDUCTION: MSMS Foundation seminars may qualify for a tax deduction for education expenses. Including registration fees, travel, meals and lodging. Check with your accountant for further information.

STATEMENT OF ACCREDIDATION: MSMS is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
