ANNUAL SCIENTIFIC MEETING
OCTOBER 24-28, 2017
SHERATON DETROIT NOVI, NOVI, MI

SEE INSIDE FOR DETAILS OR VISIT WWW.MSMS.ORG/ASM FOR MORE
Tuesday, October 24

9:00 am to 3:45 pm

Includes continental breakfast and lunch

MAKING MACRA WORK FOR YOU
*ABIM MOC Points not available for this session.

SPEAKERS:
• Leland Babitch, MD
  What You Should Know About MACRA
• Holly Standhardt
  Roadmap for Getting Started
• Stacey Hettiger
  Aligning Quality Initiatives
• Jill Young, CPC, CEDC, CIMC
  The Role of Documentation Under MACRA
• Kate Essad, MD
  Technology Survival Tips to Tackle MACRA
• TBD
  Using Qualified Clinical Data Registries to Your Advantage

Wednesday, October 25

8:00 to 11:30 am

All morning courses run concurrently from 8:00 - 11:30 am

UPDATE ON SPORTS CONCUSSIONS AND ATHLETE BRAIN HEALTH
COURSE DIRECTOR: Sean Rose, MD, Sports Neurology Clinic, CORE Institute

SPEAKERS:
• Jeffrey Kutzer, MD
  Comprehensive Approach to Athlete Brain Health
• Doctor Rose
  Latest Research on Concussion and Sub-Concussive Impacts in Children
• Matthew McCarthy, MD
  Acute Rest and Early Exercise in Sports Concussion
• Sandra Conti, MD
  Sports Neurology Case Presentations 1
• Kate Essad, MD
  Sports Neurology Case Presentations 2

DERMATOLOGY UPDATE
COURSE CO-DIRECTORS: Alice Watson, MD, Chair, MDS CME Committee, Ann Arbor; Steve Daveluy, MD, MDS CME Committee, Detroit; and Kelly Harms, MD, MDS CME Committee, Ann Arbor

SPEAKERS:
• TBD
  Biologics Management Considerations: What Do You Know, What Would You Do
• Trilokraj Tejasvi, MD
  The Teledermatology Train is Here: Welcome on Board!
• Steven Wang, MD
  Venous Ulcers: The Realities, the Myths, and the In-Between

HEALTH TECHNOLOGY: MAKING IT WORK FOR YOU, NOT AGAINST YOU
COURSE DIRECTOR: Ewa Matuszewski, Practice Transformation Institute

SPEAKERS:
• Ms. Matuszewski
  Health Technology: Making It Work for You, Not Against You
• Jennifer Parish, NP
  Health Technology: Making It Work for You, Not Against You
• Tia Ollie, PharmD
  Health Technology: Making It Work for You, Not Against You
• Virginia Hosbach, MSN
  Health Technology: Making It Work for You, Not Against You

CURRENT TOPICS IN WOMEN’S HEALTH
COURSE DIRECTOR: Roopina Sangha, MD, MPH, Henry Ford Health System

SPEAKERS:
• Rabbie Hanna, MD
  Vulvar Premalignant Lesions
• Nicole Budrys, MD
  Transgender Health Care
• Doctor Sangha
  Hereditary Ovarian Cancer: Review of Current Guidelines
• Monique Swain, MD
  Just When We Thought We Had It Right: Breast Cancer Screening for Women with Dense Breast

12:30 to 4:00 pm

All afternoon courses run concurrently from 12:30 - 4:00 pm

PRINCIPLES FOR SAFE OPIOID PRESCRIBING: BEST PRACTICES, GUIDELINES, AND REGULATIONS
COURSE DIRECTOR: Ronald W. Chapman II, JD, LLM (Candidate), Chapman Law Group

SPEAKERS:
• Mr. Chapman
  Principles for Safe Opioid Prescribing: Best Practices, Guidelines, and Regulations
• Ami Mac, MD
  Principles for Safe Opioid Prescribing: Best Practices, Guidelines, and Regulations

ENDOCRINOLOGY/DIABETES UPDATE
COURSE DIRECTOR: Naveen Kakumanu, MD, Michigan State University College of Human Medicine

SPEAKERS:
• Doctor Kakumanu
  Challenging Diabetes Clinical Cases
• Saleh A. Al-Dasouqi, MD, FACE, ECNU
  Thyroid Cases in Primary Care
• J. David Faichney, MD, FACP
  Vitamin D Update in 2017
• G. Matthew Hebdon, MD, PhD
  PCOS: Diagnosis and Management
• Kate Kirley, MD, MS
  Diabetes Care Begins with Diabetes Prevention

UPDATES IN CLINICAL CARDIOLOGY
COURSE DIRECTOR: Gerald Koenig, MD, PhD, FACC, FSCAI, Wayne State University School of Medicine

SPEAKERS:
• Michael Shea, MD, FACC
  Top 10 Articles in Cardiology 2016-2017
• Thomas A. LaLonde, MD, FACC
  Update on the Management of the ACS Patient: During and Post Hospitalization
• Celeste Williams, MD, FACC
  Update on Heart Failure Management and Current Therapies
• William O’Neill, MD, FACC
  Latest Innovations in Mitral and Tricuspid Valve Intervention

BLADDER CANCER: SCREENING & EVALUATION AMONG HIGH RISK WORKERS
COURSE DIRECTOR: Thomas John Bender, MD, PhD, The Dow Chemical Company

SPEAKERS:
• Kenneth Rosenman, MD
  Screening for Bladder Cancer Among High Risk Workers, Their Family Members, and Community Residents in Three Michigan Communities
• Melissa Mill Erick-May, MSc, PhD
  The Utility of Performing a Retrospective Exposure Assessment When Conducting an Incidence/Mortality Follow-Up in a Cohort of Dye Manufacturing Workers
• Doctor Bender
  Bladder Cancer Screening Program for Workers at Facility in Paterson, New Jersey
• Alon Zadok Weizer, MD, MS
  Appropriate Follow-Up Procedures for Evaluation of High Risk Workers with Abnormal Screening Test Results

4:15 to 5:15 pm

FREE
PLENARY SESSION: POWER, ETHICS, AND CLINICAL PRACTICE
SPEAKER: Jason Wasserman, Oakland University William Beaumont School of Medicine

5:30 to 7:45 pm

The evening course runs from 5:30 - 7:45 pm

WHEN IS BACK PAIN NOT BACK PAIN? IDENTIFICATION AND TREATMENT OF MUSCULO-SKELETAL PAIN OF UNCERTAIN ETIOLOGY (Dinner included)
COURSE DIRECTOR: Howard Schubiner, MD, Providence Hospital

SPEAKERS:
• David Kohns, DO
  Approach to the Patient with Chronic Musculo-Skeletal Symptoms: Distinguishing Between Functional and Structural Disorders
Wednesday, October 25 (Cont.)

- Doctor Schubiner
  Ruling in Central Sensitization and Communicating Effectively About It: Managing Patients Using Brief Interventions and Appropriate Referrals

Thursday, October 26

8:00 to 11:30 am

**PEDIATRIC EMERGENCIES: LEGAL ASPECTS**
COURSE DIRECTOR: Earl R. Hartwig, MD, Children’s Hospital of Michigan
SPEAKERS:
- Amy Delaroeche, MD
  Social and Legal Aspects of Child Abuse in the ED
- Doctor Hartwig
  Preparation for Testifying in Child Abuse
- Stephanie Do, DO
  Questions in Pediatric Transport
- Katherine Hebert, MD
  Adolescent Concerns in the ED

**INFECTIOUS DISEASES UPDATE**
COURSE DIRECTOR: Odaliz Abreu Lanfranco, MD, Henry Ford Hospital
SPEAKERS:
- Marcus Zervos, MD
  New Antimicrobials: When and How to Use Them
- Anne Chen, MD
  Out on a Limb: Diabetic Foot Infection
- George Alangaden, MD
  When the Cat’s Away: Infections in Non-HIV Immunocompromised Patients
- John McKinnon, MD
  What is Hot in Infectious Diseases?
- Mayur Ramesh, MD
  Fecal microbiota transplant FMT: The Good, the Smelly and the Ugly
- Pallavi Bhargaba, MD
  Asymptomatic Bacteriuria and Recurrent Urinary Tract Infection

**OPHTHALMOLOGY PEARLS FOR THE PRIMARY CARE PHYSICIAN: AN OVERVIEW FROM THE EXPERTS**
COURSE DIRECTOR: Reecha S. Bahl, MD, Wayne State University School of Medicine
SPEAKERS:
- Doctor Bahl
  New Developments in Pediatric Ophthalmology
- Justin Tannir, MD
  Updates in Glaucoma and Anterior Segment
- Anu S. Patel, MD
  What is New Vitreoretinal Diseases and Surgery

**THE OUTPATIENT MANAGEMENT OF COMMON RENAL ISSUES**
COURSE DIRECTOR: Matthew McGuire, MD, University of Michigan School of Medicine
SPEAKERS:
- Nidhi Sukul, MD
  General nephrology pearls for the primary care physician
- Matthew McGuire, MD
  Management of Progressive Chronic Kidney Disease: Decreasing GFR, Increasing Attention
- Susan Steigerwalt, MD
  Difficult to Control Hypertension: How to Treat, What Tests to Get, When to Refer
- Milagros Samaniego-Picota, MD
  Renal Transplant for the Primary Care Physician

12:30 to 4:00 pm

**NEUROLOGY FOR THE GENERALIST**
COURSE DIRECTOR: Daniel S. Newman, MD, Henry Ford Health System
SPEAKERS:
- Neepa Patel, MD
  Patients that Shake, Rattle and Roll: When to Refer to Neurology
- Marina Novikova, DO
  “Which Witch is Which? How to Distinguish Alzheimer’s from Lewy Body Dementia or Vascular Dementia

8:00 to 11:30 am

**THORACIC AORTIC DISEASE**
COURSE DIRECTOR: William Oppat, MD, Michigan Vascular Surgical Society
SPEAKERS:
- David Adamolekun, DO
  Medical Management of Uncomplicated Type B Aortic Dissections
- Syed Alam, MD
  Management of Complicated Type B Aortic Dissections with Acute, Sub-acute and Chronic Presentations
- Luc Dubois, MD
  Novel Approaches for Management of Complex Thoracic Aortic Pathology
- Eanas Yassa, MD
  Advances in the Management of Traumatic Injuries of the Thoracic Aorta

**HIV PREVENTION AND CARE PRACTICES FOR PRIMARY CARE PROVIDERS**
COURSE DIRECTOR: Rebecca McKie, Michigan Department of Health and Human Services
SPEAKERS:
- Indira Brar, MD
  Reaching Zero
- Paul Benson DO, AAHIVS
  Truvada for PrEP: A Pharmacological Option for Prevention of HIV 1 Infection in Combination with Safer Sex Practices
- Rosemary Olvera, MD
  Preventing perinatal HIV infections – Getting to ZERO

**CURRENT PRACTICES IN COLON AND RECTAL SURGERY**
COURSE DIRECTOR: Surya P. M. Nalamati, MD, Henry Ford Health System
SPEAKERS:
- Doctor Nalamati
  Update on Common Anorectal Problems
- Sarah Hans, MD
  Diverticular Disease: Current Treatment Strategies
- Kenneth Bark, MD
  Fecal Incontinence: Current Management Strategies
- Shawn Webb, MD
  Colon Cancer: Current Treatment Strategies
- Edwin Itenberg, DO
  Update in Rectal Cancer Treatment

Friday, October 27

8:00 to 11:30 am

**THE MEDICAL BIRDS AND BEES: WHAT EVERY DOCTOR SHOULD KNOW ABOUT FEMALE AND MALE FERTILITY AND INFERTILITY**
COURSE DIRECTOR: Samantha Schon, MD, MTR, University of Michigan Medical School
SPEAKERS:
- Doctor Schon
  Optimizing Fertility in 2017: From Natural Conception to Elective Fertility Preservation
Friday, October 27 (cont.)

- Erica Mahany, MD  
  Female Infertility 101: Pearls for the Primary Care Physician
- Jim Dupree, MD, MPH  
  What Every Doctor Should Know About Male Fertility and What Medications Should be Avoided

RHEUMATOLOGY UPDATE 2017
COURSE CO-DIRECTORS: Manveen K. Saluja, MD, Beaumont Health System; and Andrew J. Sulich, MD, Oakland University William Beaumont School of Medicine
SPEAKERS:
- Sudhaker D. Rao, MBBS, FACP, FACE  
  Osteoporosis
- Doctor Sulich  
  Update on Giant Cell Arthritis
- Alireza Meysami, MD, RhMSUS  
  Asymptomatic HyperCKemia: How to Approach High CPK in Asymptomatic Patient

CURRENT ISSUES IN ALLERGY AND IMMUNOLOGY
COURSE DIRECTOR: Lokesh R. Edara, MD, Asthma Allergy Centers
SPEAKERS:
- Elizabeth Secord, MD  
  Immunodeficiency Primary Care Physicians See in Clinic, Work Up and Emergencies
- Ann Kovalszki, MD  
  Drug Allergy for the Primary Care Physician
- Tara Shankar, MD  
  Evolving Guidelines and Therapies for Food Allergy

MANAGEMENT OF COMMON SPINE AND BRAIN DISEASES: A REFRESHER FOR PRIMARY CARE PHYSICIANS
COURSE DIRECTOR: Emily Levin, MD, University of Michigan Medical School
SPEAKERS:
- Cormac O. Maher, MD, FAAP, FACS  
  The Common Dilemma of Abnormal Findings on Brain and Spine Imaging
- Mark Oppenlander, MD  
  Spine Injuries in Athletes
- Aditya Pandey, MD  
  Cerebrovascular Update: Stroke is a Treatable Disease
- Daniel Orringer, MD  
  New Horizons in the Treatment of Brain Tumors
- Doctor Levin  
  Updates in Functional Neurosurgery

11:40 am to 12:25 pm:  
96th ANNUAL WILLIAM BEAUMONT LECTURE

SMALL RNAS PLAY BIG ROLES: MICRO RNAs TOWARDS A NEW ERA FOR THE MANAGEMENT OF CANCER AND CANCER IMMUNOTHERAPY
SPEAKER:  
- Qing-Sheng Mi, MD, PhD

12:30 to 4:00 pm

SAFE OPIOID PRESCRIBING AND OVERDOSE PREVENTION
COURSE CO-DIRECTORS: Cara Poland, MD, Michigan State University; and Stephen Alsum, Grand Rapids Red Project
SPEAKERS:
- Doctor Poland  
  Principles for Safe Opioid Prescribing
- Mr. Alsum  
  Opioid Safety and Overdose Prevention

Saturday, October 28

8:00 to 11:30 am

All morning courses run from 8:00 - 11:30 am

ENT FOR THE PCP
SPEAKERS:
- Eleanor Chan, MD  
  Otology Update 2017
- Robert T. Stanclung, MD  
  ENT for the Primary Care Physician
- Steven Chang, MD, FACS  
  Head and Neck Cancer Concepts for Primary Care Doctors
- Noah Stern, DO  
  Sinusitus Synopsis: Diagnosis and Treatment

NEUROMUSCULAR MEDICINE UPDATE
COURSE DIRECTOR: Amit Sachdev, MD, MS, Michigan State University College of Human Medicine
SPEAKERS:
- Doctor Sachdev  
  Introduction to Neurology Below the Neck
  Neuromuscular Junction Disorders: Avoiding Triggers and Managing Autoimmune Illness
  Sudheer Potru, DO  
  Sensory Nervous System: Treating Peripheral Polyneuropathy with Non-narcotic Strategies
  Matthew Imperioli, MD  
  Autonomic Nervous System: Recognizing, Characterizing and Managing Complications of Diabetes
  Kimberly Patterson, REEGT, BS  
  Live Demonstration: Nerve Conduction, Repetitive Stimulation and Autonomic Testing Using and EMG Machine

LUMBAR SPINAL DISEASE: AN OLD PROBLEM AND A NEW SOLUTION
COURSE DIRECTOR: Muwaffak Abdulhak, MD, FRCS, Neuroscience Institute of Spine and Neurotrauma
SPEAKERS:
- Todd Aho, MD  
  Diagnostic Tests and Relevant Anatomy
- Nabil Sibai, MD  
  Multidisciplinary Approach to Patient with Lower Back Pain: What Can Be Offered?
- Doctor Abdulhak  

CURRENT TRENDS IN RADIOLOGY
COURSE DIRECTOR: Eduard V. Kotlyarov, MD, PhD, FACS, FACNM, Michigan State University College of Human Medicine
SPEAKERS:
- Doctor Kotlyarov  
  Diagnosis of Pulmonary Thromboembolism in 2017
- Daniel L. Croteau, MD  
  Current IR Management of DVT and PE
- Steve Min, DO  
  Advanced Gastrointestinal Imaging: Cross Sectional Evaluation of Small and Large Bowels
- Benjamin Viglianti, MD, PhD  
  Nuclear Myocardial Stress Imaging Review for the Referring Clinician (prepared by Daniel J. Wolach, DO)
### CHOOSING YOUR COURSES

Please check one morning, afternoon and/or evening session you will be attending each day.

### YOUR PAYMENT

- **MSMS Members:** $135 per course
- **MSMS “retired status” Members:** $105 per course
- **Non-Members:** $185 per course
- **Residents:** No fee
- **Students:** No fee

Multiply total number of courses by category:

- $_____ x $135 (MSMS members) = $_________
- $_____ x $105 (MSMS Retired and YPS members) = $_________
- $_____ x $185 (Non-members) = $_________
- $_____ x 0 (Students and Residents) = $ - 0 -

**Tuesday’s Fees:** Making MACRA Work for You

- $_____ x 195 MSMS Members
- $_____ x 275 Non -members
- $_____ x 50 Students/Residents

**TOTAL** $_________

- Check payable to MSMS Foundation

</table>

**Expiration Date**

**Printed Name on Card**

**4 EASY WAYS TO REGISTER**

1. Online: [www.msms.org/ASM](http://www.msms.org/ASM)
2. Fax: (517) 336-5797
3. Phone: (517) 336-7581
4. Mail: MSMS Foundation, 120 West Saginaw St., East Lansing, MI 48823

### Statement of Accreditation

The Michigan State Medical Society (MSMS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA PRA Category 1 Credit(s)**: Physicians should claim only credit commensurate with the extent of their participation in the activity.

**AAFP Credit**: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
The ASM Planning Committee is pleased to invite you to our 2017 ANNUAL SCIENTIFIC MEETING at the Sheraton Detroit Novi Hotel in Novi. The Sheraton Detroit Novi is just minutes from downtown Detroit and the Detroit Metro Airport and has an abundance of amenities for attendees.

The ASM features:
- Earn up to 32.75 AMA PRA Category 1 Credits™
- NEW – Earn up to 27.25 ABIM MOC points
- A wide selection of courses – totaling over 30 choices
- FREE Human Trafficking plenary – fulfills Board of Medicine (BOM) requirement
- FREE Medical Ethics plenary – fulfills BOM requirement
- FREE Friday William Beaumont Lecture
- Two options to meet the BOM’s requirement for pain and symptom management
- Networking with colleagues

Thank you to the ASM Planning Committee members, course directors, speakers, specialty societies, medical schools, hospitals and clinics for this contribution on organizing an outstanding program.

We look forward to seeing you this fall.

Sincerely,

David T. Walsworth, MD
2017 ASM Planning Committee Chair
