MSMS Practice Solutions Now Offers Mental Health Screening and Monitoring through Greenlight

MSMS Practice Solutions today announced a new partnership with Greenlight, a company that offers a tablet-based medical tool to help combat depression, anxiety and suicide. Greenlight's cutting-edge technology

provides a modern solution to an antiquated process of paper scoring for mental health conditions. This includes but is not limited to depression, anxiety, substance abuse risk, post-traumatic stress disorder (PTSD), attention deficit hyperactivity disorder (ADHD), and bipolar disorder.

Opioids and Michigan Workers' Compensation Webinar

August 12, 2015
12:15 - 1:00 PM

No cost, but registration is required

The State of Michigan Workers' Compensation Agency is pleased to have the opportunity to discuss the new Michigan Workers' Compensation reimbursement rules related to chronic opioid use. This section of the webinar will provide practitioners with a thorough understanding of the new opioid reimbursement rules and their impact on providers who treat injured workers.

Topics include:

- The history of the rule
- Understanding the definition of "chronic" in relation to the rule
- Explanation of required documentation for reimbursement of

Timely Topics & Flexible Schedule - Why You Shouldn't Miss the 150th Annual Scientific Meeting

Physicians of all specialties, residents, students, nurses, and all other health care professionals are invited to participate in the MSMS Foundation's 150th Annual Scientific Meeting (ASM), Tuesday, October 20 - Saturday, October 24, at the Somerset Inn in Troy. Take

this opportunity to learn about the cutting-edge clinical advances from local and national experts, catch up with colleagues while attending special events, and see the latest innovations from medical industry vendors.

Retired Physicians - CMU College of Medicine Needs Your Expertise!

Central Michigan University College of Medicine is dedicated to preparing "diverse, culturally competent physicians focused on improving access for all to high-quality healthcare in Michigan with an emphasis on rural and medically underserved regions." We

have partnered with urban and rural hospitals across northern and lower Michigan and the UP in a Comprehensive Community Clerkship (CCC) for our Year 3 medical students -- and we can use your help as volunteer facilitators of their Practice Case Presentations (PCP) for 2 hours a week. The PCP facilitation can be done from the comfort of your home via teleconferencing and Skype -- or, if you are in the area, in one of our state-of-the art teleconference facilities in Mount Pleasant, Saginaw or CCC site where our students are training.
