

ICD-10: Know What You Need in Order to Code - Primary Care/Medical Specialty

Wednesday, October 21, 2015
9:00 a.m. - 12:00 p.m.
Somerset Inn, Troy

Physicians are the first and most important part of a practice's success at this transition and need help to understand their role in this new upgraded coding system.

Join Jill Young as she works with physicians and staff to appreciate the coder's world from their clinical standpoint. Bring 2-3 samples of your de-identified notes to be coded during the class. Primary Care and Medicine Specialties will meet in one session with Surgical Specialties in the other to allow for maximum benefit for their practice for attendees.

You must bring your ICD-10 code book for coding exercises. Identify your specialty when registering for the session so specialty specific information can be given.

LEARNING OBJECTIVES

- ICD-10 Codebook Layout
- Hands-on Coding Exercises
- Documentation Specificity
- Communication of Information for Appropriate Code Selection

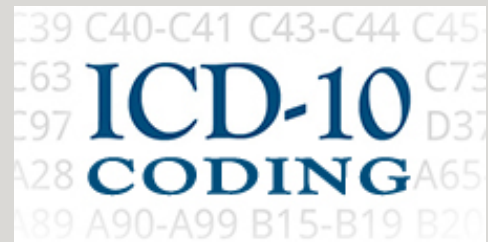

WHO SHOULD ATTEND

Physicians, Billers, Coders

REGISTRATION

MSMS Members: \$135
Non-Members: \$185

MiMGMA Third Party Payer Day

Friday, October 30, 2015

8:00 a.m. - 4:30 p.m.

Soaring Eagle Resort - Mt. Pleasant

Registration Fee: \$129

Once again this year the Reimbursement Committee and MSMS are hard at work planning Third Party Payer Day. We have lined up some of the state's most notable payers, attorneys and vendors to participate. Please consider sending your billing, coding staff and account receivable staff to this educational and networking-filled day. Your staff will hear the latest updates directly from the payers and industry experts. This is MiMGMA's largest event of the year!
