Requirements:

On December 29, 2022, the Consolidated Appropriations Act of 2023 enacted a new one-time requirement which **went into effect on June 27, 2023**, for any Drug Enforcement Administration (DEA)-registered practitioner to complete eight hours of training “on the treatment and management of patients with opioid or other substance use disorders.”

What is the deadline for satisfying this new training requirement?

The deadline for satisfying this new training requirement is **the date of a prescriber’s next scheduled DEA registration submission** — regardless of whether it is an initial registration or a renewal registration — on or after June 27, 2023.

Acceptable modalities of training include:

Live or on-demand activities are acceptable. **Past training can count towards a practitioner meeting this requirement.**
