

Welcome to the Michigan State Medical Society!

Through a new partnership between Michigan Medicine (MM) and the Michigan State Medical Society (MSMS), MM physicians can now join MSMS for free (\$495 value). MSMS exclusively serves as the advocacy voice for physicians.

With more than 13,500 members, MSMS connects physicians across Michigan to a powerful network of colleagues while providing advocacy, education, practice support, and resources designed to support you throughout every stage of your career.

Your MSMS Membership Includes:

- Representation at the state and federal levels on issues affecting physicians and patients, like Medicare and Medicaid funding, support for clinical research and evidence-based public health
- Timely updates and direct assistance on payer policies and payment issues affecting your practice
- Free Continuing Medical Education (CME), including mandated medical license content
- Medigram, our weekly e-newsletter featuring legislative, regulatory, payer, public health, and practice updates
- Breaking news alerts and calls to action on issues affecting Michigan physicians
- Opportunities to participate in MSMS committees, serve as a speaker or subject matter expert, and help shape organized medicine in Michigan

Ready to Join? Opt In Today.

Taking advantage of this opportunity is easy. [Click here to opt in to your free MSMS membership.](#) You will be prompted to provide your name and email. You will receive a confirmation email and begin receiving regular communications immediately.

For more than 150 years, MSMS has served as the voice of Michigan physicians. Every day, we work to protect the practice of medicine and help ensure physicians can focus on what matters most: providing exceptional care to their patients. We are excited to work with Michigan Medicine. We hope you will join today.

For questions or more information, please contact Trish Keast, Director of Membership at (517) 336-5745 or tkeast@msms.org. Thank you.

Sincerely,
