

RESOLUTION 86 – 06A

Title: Realignment of County Medical Societies
Introduced by: Joseph J. Weiss, MD, for the Wayne County Delegation
Original Author: Joseph J. Weiss, MD
Referred to: Reference Committee C
House Action: Adopted

Whereas, governing units of all types periodically redraw their voting districts to reflect changing conditions, and

Whereas, the cost of running a county medical society may decrease with application of the economies of scale, and

Whereas, shifts in metropolitan area population and development may converge the interests of various MSMS county medical societies; therefore be it

RESOLVED: That the MSMS Board appoint a task force to review the present number of county medical societies, and where applicable, recommend changes in county medical society alignment.

WAYS AND MEANS COMMITTEE FISCAL NOTE: NONE
