

RESOLUTION 95 – 06A

Title: Limiting Intake of Bottled Water for Children
Introduced by: Cassandra M. Klyman, MD, for the Oakland County Delegation
Original Author: Cassandra M. Klyman, MD
Referred to: Reference Committee D
House Action:

Whereas, the fluoridation of water has improved the dentition of all citizens of Michigan, and

Whereas, commercially available bottled water has uncertain or no fluoride and yet it is becoming the common, convenient way for well-meaning, health-conscious parents to quench their children's thirst, and

Whereas, this practice may be harmful to everyone's dental health; therefore be it

RESOLVED: That all physicians alert families that use bottled water that their children need alternate means of fluoride.

WAYS AND MEANS COMMITTEE FISCAL NOTE: NONE
