

**RESOLUTION 18 - 05A**

**Title: Educational Standards for Surgical Procedures**  
**Introduced by: Lawrence F. Handler, MD, MI Ophthalmological Society**  
**Original Author: John D. Roarty, MD**  
**Referred to: Reference Committee B**  
**House Action: Approved**

---

**Whereas, expansion of surgical privileges by many medical specialty groups has been implemented, and**

**Whereas, prior to this expansion, there was a standard of training and education that was adhered to by the community of medicine; therefore be it**

**RESOLVED: That MSMS seek legislation that would require anyone who has not previously had the privilege of engaging in the surgical area be required to adhere to the rigorous educational standards already established by the medical community.**
