

**RESOLUTION 51 - 05A**

**Title: Guidelines for Hospital Admissions**  
**Introduced by: Rajesh B. Makim, MD, for the St. Clair County Delegation**  
**Original Author: Nipurn J. Shah, MD**  
**Referred to: Reference Committee A**  
**House Action: Referred to the Board for Study**

---

**Whereas, standardized criteria for hospital admissions are not always appropriate for an individual patient's treatment needs, and**

**Whereas, these criteria are not always based on scientific evidence; therefore be it**

**RESOLVED: That MSMS work with the appropriate government and insurance agencies to influence hospital admission criteria using evidence-based guidelines that may not be binding to each individual patient.**
