

RESOLUTION 73 - 05A

Title: Continuing Medical Education Surcharge
Introduced by: Domenic R. Federico, MD, for the Kent County Delegation
Original Author: Rose M. Ramirez, MD
Referred to: Reference Committee E
House Action:

Whereas, continuing medical education (CME) is both required and essential, and

Whereas, the sharing of medical information has always been a privilege as well as a duty, and

Whereas, specialty organizations often sponsor courses for specialists in the same and other specialties, and

Whereas, some specialty organizations charge tuitions to non-members that are several times what is offered to members; therefore be it

RESOLVED: That MSMS support specialty organizations to continue to encourage non-members to attend their continuing medical education meetings; and be it further

RESOLVED: That MSMS ask specialty societies to limit the surcharge to non-members to not more than 150 percent of tuition charged for members for continuing education meetings.

WAYS AND MEANS COMMITTEE FISCAL NOTE: NONE
