House Action: Approved

Whereas, the Michigan Secretary of State regularly reviews the drivers licenses of those who are known substance abusers, and

Whereas, the Michigan Secretary of State also reviews the drivers licenses of the elderly and seizure patients, and

Whereas, a physician can report patients they treat who concern them such as the elderly who are obviously impaired or seizure patients not taking their medications; therefore be it

RESOLVED: That MSMS attempt to educate physicians through *Michigan Medicine* on what their obligations are in reporting patients with problems that certainly could harm innocent drivers and their passengers.
