Introduced by: Domenic R. Federico, MD, for the Kent County Delegation
Original Author: Stephen B. Rupp, MD
Referred to: Reference Committee B
House Action: Adopted

Whereas, cost of medical insurance continues to increase to a level that makes it unaffordable to many, and

Whereas, insurance executives' compensation is often in the seven figures, and

Whereas, insurance companies now feel the need to publicize physician profiles to help "protect" patients and help them choose a "cost effective" physician; therefore be it

RESOLVED: That MSMS work with the Michigan Office of Financial and Insurance Services to publish insurance company profiles, i.e. patient outcomes, costs and profits per member to help patients choose the appropriate insurance company.
