

**RESOLUTION 60-07A**

**Title: MRI Availability In Level I Trauma Centers**  
**Introduced by: Pino D. Colone, MD, Genesee County**  
**Original Author: Pino D. Colone, MD**  
**Referred to: Reference Committee B**  
**House Action: No Action**

---

**Whereas, there are only eight level I Trauma Centers in the state of Michigan, and**

**Whereas, level I Trauma Centers provide care for the highest acuity patients and those most likely to need an emergent MRI, and**

**Whereas, transferring critically injured or unstable patients off-site to obtain emergent MRI places them at greater risk, and**

**Whereas, level I Trauma Centers with an on-site MRI are better able to care for their critically injured patients; therefore be it**

**RESOLVED: That MSMS work with appropriate local and state authorities to establish a standard requiring that all level I Trauma Centers have permanent on-site MRI.**
