Title: Same Day Procedures
Introduced by: David T. Walsworth, MD, for the Ingham County Delegation
Original Author: David T. Walsworth, MD
Referred to: Reference Committee A
House Action: Adopted as Amended

Whereas, second procedures during an office visit are paid only 50 percent of their initial value, and

Whereas, third and subsequent procedures are paid only 25 percent of their initial value, and

Whereas, there is not a similar decrease in the physician's cost for performing these procedures, and

Whereas, the procedures that could be performed on the same visit are currently being split across multiple visits potentially decreasing access to care; therefore be it

RESOLVED: That MSMS collaborate with other interested groups, such as Specialty societies, to advocate that Michigan health plan discounts for second and subsequent procedures on the same day be based on the relative resources required for providing the additional services; and be it further

RESOLVED: That the Michigan Delegation to the AMA ask the AMA to advocate on a national level that health plan discounts for second and subsequent procedures on the same day be based on the relative resources required for providing the additional services.
