

LATE RESOLUTION 99-07A

Title: Support of the First Medical Education Program in Oakland County

Introduced by: Jaime V. Agagones, MD, Oakland County

Original Author: Jaime V. Aragones, MD

Referred to: Reference Committee E

House Action: Adopted as Amended

Whereas, Michigan is experiencing challenging economic times throughout the state, and

Whereas, medical schools have documented economic benefits for the regions where they serve, and

Whereas, training more physicians is important due to the physician shortage projected for Michigan into the future, particularly in primary care specialties, and

Whereas, a medical school will provide valuable educational opportunities to residents of our state; therefore be it

RESOLVED: That MSMS support the new medical school being created in Oakland County sponsored by Oakland University and William Beaumont Hospital.

WAYS AND MEANS COMMITTEE FISCAL NOTE: NONE
