11 **House Action:**

12
13
14 **Whereas, retired members of MSMS pay no membership dues to their**
15 **state or county societies, and**

16
17 **Whereas, MSMS and county societies spend at least a limited amount of**
18 **money to support mailings and other services to retired members, and**

19
20 **Whereas, if retired members truly value their membership in the society**
21 **and do not wish their membership to be a burden on the practicing physician**
22 **members of the society, they should be willing to pay dues in at least an**
23 **amount that would offset the expense of maintaining them as society members;**
24 **therefore be it**

25
26 **RESOLVED: That members wishing to be included in the retired**
27 **membership category be charged annual dues of \$50, to be split equally**
28 **between MSMS and the member's county medical society; and be it further**

29
30 **RESOLVED: That future dues levels for retired members be determined**
31 **using the same process by which dues levels for other membership categories**
32 **are established.**
