Title: Simulation and Payment Reform
Introduced by: Peter Muller, MD, for the Oakland County Delegation
Original Author: Peter Muller, MD
Referred to: Reference Committee A
House Action: Adopted as Amended

Whereas, payment reform for providers is coming and providers are ill-equipped to handle these changes in the business structure, and

Whereas, integration and joint decision making may be keys to these reforms, and

Whereas, simulation techniques are widely used in business and the military but not in the business of medicine; therefore be it

RESOLVED: That MSMS seek grants with other institutions to develop new models of education such as simulation that will allow physicians to come together in a controlled environment to learn techniques to understand the business decisions that will be necessary for payment reform.
