**Title:** Retention and Availability of Continuing Medical Education Participation Records

**Introduced by:** David T. Walsworth, MD, for the Ingham County Delegation

**Original Author:** David T. Walsworth, MD

**Referred to:** Reference Committee E

**House Action:** Adopted.

---

**Whereas, Continuing Medical Education Providers routinely maintain records of attendance to comply with Accreditation Council on Continuing Medical Education, and**

**Whereas, Continuing Medical Education Providers may maintain records of attendance in various divisions and/or by individual program to comply with Accreditation Council on Continuing Medical Education, especially regarding commitment to change, and**

**Whereas, Continuing Medical Education Providers may or may not provide certificates of attendance, and**

**Whereas, physicians are required to provide verifiable documentation of Continuing Medical Education to meet state licensing requirements, and**

**Whereas, Continuing Medical Education Providers may or may not provide records of attendance to attendees either routinely or upon request; therefore be it**

**RESOLVED: That MSMS work with the Continuing Medical Education Providers which it accredits to ensure that each Continuing Medical Education Provider will make available, on demand, a transcript of all Continuing Medical Education Credits earned by a physician from the Continuing Medical Education Provider, including date, credits earned, and program title; and be it further**

**RESOLVED: That MSMS ask the AMA to work with the Accreditation Council for Continuing Medical Education (ACCME) and Continuing Medical Education Providers which it accredits to ensure that each Continuing Medical Education Provider will make available to a central data repository a transcript of all Continuing Medical Education Credits earned by a physician from the Continuing Medical Education Provider, including date, credits earned and program title; and be it further**

49           **RESOLVED: That MSMS ask the AMA to work with the ACCME to make**  
50 **physician continuing medical education transcripts available to the physician**  
51 **online and in real time in a format suitable for submission to licensing and**  
52 **other organizations without cost to the physician.**
