Title: AMA Online Physician Platform
Introduced by: Kirk J. Wojno, MD, for the Michigan Society of Pathologists
Original Author: Kirk J. Wojno, MD
Referred to: Reference Committee E
House Action: Adopted.

Whereas, the AMA plans to offer Quest Diagnostics Care360™ Electronic Health Records (EHR) on its new online physician platform at the potential exclusion of other laboratories, and

Whereas, this has the potential to significantly limit competition; therefore be it

RESOLVED: That the Michigan Delegation to the AMA ask the AMA not to exclusively offer a single laboratory information system / EHR solution as part of its online physician platform.

WAYS AND MEANS COMMITTEE FISCAL NOTE: NONE
