3 **Title: Quality and Safety of Mid-Level Providers**  
4  
5 **Introduced by: David Tracy, MD, for the St. Clair County Delegation**  
6  
7 **Original Author: Daniel J. Wilhelm, MD**  
8  
9 **Referred to: Reference Committee B**  
10  
11 **House Action: Disapproved**  
12

---

13  
14 **Whereas, mid-level providers such as nurse practitioners can operate**  
15 **clinics in remote areas in Michigan with cursory physician supervision, and**  
16

17 **Whereas, this arrangement may be beneficial to the rural population**  
18 **without access to physicians, and**  
19

20 **Whereas, the quality and safety of the care delivered are unknown in**  
21 **these settings; therefore be it**  
22

23 **RESOLVED: That MSMS work with the appropriate state departments to**  
24 **develop reportable quality and safety parameters regarding care provided at**  
25 **rural clinics operated almost independently by nurse practitioners with little**  
26 **physician supervision.**
