3 **Title:** "Turn On" Health and Behavior Assessment/Intervention
4 **Codes in Michigan**
5
6 **Introduced by:** Domenic R. Federico, MD, for the Kent County Delegation
7
8 **Original Author:** R. Paul Clodfelder, MD
9
10 **Referred to:** Reference Committee A
11
12 **House Action:** Approved
13

14
15 **Whereas, behavioral health problems have a major detrimental effect on a**
16 **patient's physical health problems, and**
17

18 **Whereas, several clinics, recognizing this, have established integrated**
19 **care for behavioral and physical problems and shown statistically significant**
20 **improvement in several clinical measurements as well as decreased emergency**
21 **room visits and hospitalizations, and**
22

23 **Whereas, these clinics are losing money because of the inability to bill**
24 **for behavioral and physical health care services rendered on the same day, and**
25

26 **Whereas, Medicare has established Health & Behavior**
27 **Assessment/Intervention (HBAI) CPT codes to allow billing for behavioral and**
28 **physical health care services on the same day, and**
29

30 **Whereas, several states have "turned on" these codes for use by**
31 **Medicaid, but not in Michigan; therefore be it**
32

33 **RESOLVED: That MSMS work with Medicaid officials and the Michigan**
34 **Legislature to "turn on" the Health & Behavior Assessment/Intervention (HBAI)**
35 **CPT codes (96150-96155) established by Medicare for use with Medicaid**
36 **patients in the State of Michigan.**
