13
14 Whereas, MSMS holds accountability for maintaining membership data and
15 payment information for those county societies linked to its services, and
16

17 Whereas, county societies that rely upon this information need it in order to
18 identify the number of physicians in their active membership database and their
19 respective membership categories, as well as to set their operating budgets for the
20 membership year, and
21

22 Whereas, not having timely and accurate access to this vital information leads
23 to misidentification and the inability to properly formulate annual membership rosters
24 and budget development; therefore be it
25

26 **RESOLVED:** That MSMS develop an electronic reporting process whereby
27 membership and member payment data is disseminated to county medical societies
28 on a monthly basis by January 1, 2016.
