14 Whereas, smoking is a known health hazard, and

15
16 Whereas, second-hand smoke can contaminate and damage individuals long
17 after smoking has taken place, and

18
19 Whereas, the toxins in second-hand smoke penetrate and remain in furniture,
20 carpeting, wall surfaces, window coverings, etc., putting those living in such spaces at
21 risk, and

22
23 Whereas, there is no safe level of second-hand smoke exposure; therefore be
