Title: Dispensing Life Saving Medication in an Emergency  
Introduced by: Robert Levine, MD, for the Oakland County Delegation  
Original Author: Robert Levine, MD  
Referred to: Reference Committee A  
House Action: **AMEND**

---

Whereas, a patient's life may be at risk if they are unable to obtain a refill of a prescribed medication, and

Whereas, there are times when it may be impossible for a patient and/or a pharmacist to contact the patient's physician or another appropriate person to obtain a prescription for a refill of the needed medication, and

Whereas, the State of Ohio recently passed legislation that would allow a pharmacist to provide life-saving medications for the treatment of asthma, diabetes, or heart disease; therefore be it

RESOLVED: That MSMS review legislation recently passed in the state of Ohio regarding temporary refilling of life-saving medications by a pharmacist without a prescription.
