Title: Financial Support for Residents Attending Meetings
Introduced by: Rubin Raju, MD, for the Resident and Fellow Section
Original Author: Rubin Raju, MD
Referred to: Reference Committee C
House Action: **AMEND**

Whereas, residents and fellows are the future of the physician workforce and potential members for the MSMS and the American Medical Association, and

Whereas, early involvement in organized medicine meetings and conferences has been shown to increase the likelihood of a physician being involved later in their career, and

Whereas, even those residents and fellows who are interested in attending are often limited in either time and/or available funds to attend these meetings and conferences, and

Whereas, increased involvement of younger physicians is a stated goal of MSMS; therefore be it

RESOLVED: That MSMS implement a communications and marketing campaign to solicit additional donations to the MSMS Foundation Kevin A. Kelly fund to financially support residents to attend organized medical society meetings at the state, county, and federal level.
